Margaret has been presenting computer courses since 1985 for Apple Mac and Windows computers, to the education, corporate, print and web design sectors, and to individual clients of all ages. She has tutored various software courses at Auckland University since 1997:

Testimonial ~ H. Sosna, POD University of Auckland:

Margaret Marsh has trained hundreds if not thousands of our staff over many years. She has always stayed on top of the new features of each release. She teaches multiple Adobe and Microsoft workshops for us, and we are very pleased to have her reliable and professional services. Highly recommended!

Tuition is offered for:

- **Graphics & Desktop Publishing:**
InDesign, Photoshop, Illustrator, Acrobat, and Publisher.
- **Business applications:**
Word, Excel, Powerpoint, and Visio.
- **Apple software:**
Pages, Numbers, Keynote, Photo, iPhoto, and iMovie.
- **Video editing:**
iMovie, Windows Live Movie Maker.
- **Web Design:**
Dreamweaver, and HTML.

“Now based in Tauranga; my business is to enhance your business by providing the highest quality private hands-on-training. I specialise in software courses that will maximise your productivity and creativity.”

Looking forward to meeting you soon!
